

CORPORATE DONATION DRIVES

You can make an impact!

Imagine a child entering foster care, carrying their world in a small bag. Or nothing at all...

With **your** help, we can provide essential items to these children through our **Care Kits** initiative. Every donation counts. From cozy blankets to school supplies, and hygiene items to comforting toys, your contribution directly supports these children during a challenging time.

Your kindness can provide not just essentials, but also hope and comfort to kids in Iowa who need it most.

Accepted Items!

PLEASE NOTE: WE ONLY ACCEPT DONATIONS OF NEW UNUSED ITEMS.

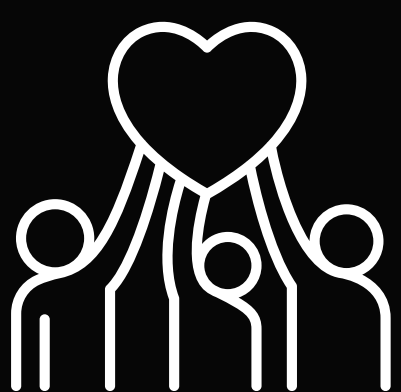

The Foster SQUAD is extremely grateful for donations to help us fill our care kits so every child entering the system receives a kit of their own. More information on this initiative and ways to donate can be found on our website: www.fostersquad.org

- Gift cards also accepted! \$25 or \$50 preferred. These are issued to the foster family to purchase hygiene essentials to meet each child's needs.

- Monetary donations can also be made to our Venmo account (@fostersquad)

Giving a child a home is a remarkable gift. The Foster SQUAD is here to provide resources to Iowa foster families as they care for our community's most vulnerable children.
